Terms and Conditions

Quotations are valid for 30 days.

Lead times are based on the productions schedule at the time quoted and may change by the time an order is placed.

Foam Industries shall not be liable for damages in excess of the purchase price of its products.

All products should be tested by the user on the substrates being used in their application.

Orders are subject to a 10% over or under run.

Tooling Charges do not include the cost to repair, modify, or dispose of tools.

Tools may be disposed of after 36 months of non-use without notification.
